The Oxford Owl eBook Library contains a wide selection of books from across Oxford's most popular series. The books are carefully levelled and progress in reading difficulty from those appropriate for Reception right through to those suitable for Year 6. The exact number of books and range of levels your child has access to will depend on the subscription that their school has bought.

How do I know which book my child should read?

Your child's teacher will tell them which Oxford Level (or Book Band) they are working on. Your child can then read any of the books at that level.

Alternatively, your child's teacher may specify an exact title.

How do I find the right book or level?

To find the right level, click on the Levels filter at the top of the library, choose Oxford Levels or Book Bands as appropriate. Choose your level and then the books will be filtered so that you only see books at that level.
